

**Public Notice:
Village of Elk Rapids Property Owners**

Elk Rapids Township is charged with ensuring all property within the jurisdiction is assessed fairly and equitably. Physical, exterior inspections will be performed **in the village** this spring, summer and fall.

This is to verify existing data on record for your property. Professional contract employees will measure the exterior of each structure on the property, record the information, and take updated photographs. **These employees will knock on the door and provide identification. Please call the Township to confirm identity at any time. At no point will any of these employees ask to enter your home or other buildings on your property.**

This work does not result in an automatic change to the dollar amount you pay for property taxes; it is to verify the accuracy of our data.

Note: Elk Rapids Township Property and Tax Information is available on-line:
