

Your Village Council Wants to Hear from You

By now you have heard about the proposed boat races. We have placed a PowerPoint presentation by the organizers on the Village website to give a few more details. Take a look, talk to your friends and neighbors, then let us know what you think. We want to hear from you whether you are for the event, against it, or really have no opinion. But, give us a reason to support your position. You can drop off a note to the Government Center stating your preference, including your name and address. Or, you can email it to Kaitlyn Szczypka, Village Clerk at kszczyпка@elkrapids.org. Let us know your thoughts no later than January 22.
